## ALGEMENE GEDRAG/GENERAL BEHAVIOUR

Sommige leerders se algemene gedrag is uiters swak en hulle toon geen respek vir die skool, die personeel, die publiek en medeleerders nie. / We regard the parents as partners in the education of their children and therefore we will not hesitate to contact parents if we need their assistance.  
Ouers kan help deur by die huis te sorg dat leerders nie met verkeerde dinge, soos substansmisbruik en verkeerde vriende deurmekaar raak nie. Te veel leerders kom laat vir skool, is afwesig sonder 'n geldige rede, of raak "school dropouts". / This will definitely have a negative impact on their results and future. Your child is important to us, therefore we urge the parents to assist us with the discipline of their child.

## REKENINGE/ACCOUNTS

Leerders het rekeninge ontvang. Maak asseblief seker dat hulle dit aan u oorhandig en ons doen 'n beroep op ons ouers om u finansieële verpligtinge na te kom.

Thank you to those parents who are paying their school and hostel fees!

Koshuisleerders se losiesgelde is vooruitbetaalbaar soos met u ooreengekom by regiistrasie. Die gelde is broodnodig om die munisipale dienste te betaal, asook om kos aan te koop. Ons probeer werklik die fooie so laag as moontlik hou.

Hostel learners must pay their fees in advance as agreed. Some learners will only be able to return to the hostel if their hostel fees are paid up to date.

## NETHEID VAN LEERDERS/ NEATNESS OF LEARNERS

Ouers moet asseblief toesien dat ons leerders die korrekte skooldrag dra en dat hulle netjies skooltoe kom.

*As the winter is approaching they must make sure that the right jacket is worn. Wrong sweaters, caps, bandannas, beanies and jewellery found in their possession **will be confiscated.***

*The general behaviour of our learners in public is of great concern and we will take no responsibility for learners that get into trouble if actions are taken against them.*

*Parents must please address this problem with their children.*
